

Do type 2 differently with **Level2**

level2®

Did you know you can work to go beyond just managing type 2 diabetes?
With **Level2 Specialty Care**, included with the health plan, you can work to improve type 2.

Here's how it works:

We treat type 2 diabetes as a condition of too much glucose in the body. With Level2 Specialty Care, participants get new insights on what affects their glucose and adopt healthy actions to reduce it – essentially getting from “can’t” to “can.”
Here’s what they experience:

Insights

Learn about glucose starting with a continuous glucose monitor at no extra cost and find what works.

Care Team

Made up of providers, coaches, dietitians and other experts as guides through Level2.

Level2 Method

A defined process to understand and work to improve glucose control in a series of phases.

It's already included in the health plan at no extra cost.
