

# Do type 2 differently with **Level2**

**level2**<sup>®</sup>

Did you know you can go beyond just managing type 2 diabetes?

With **Level2 Specialty Care**, included with your health plan, you can work to improve your type 2.

## Here's how it works:

We treat type 2 diabetes as a condition of too much glucose in the body. With Level2 Specialty Care, you can get new insights on what affects your glucose and adopt healthy actions to reduce it – essentially getting from “I can’t” to “I can.” Members experience:

### Insights

Start with a **no-cost** continuous glucose monitor to see what works for you in real time – all without finger sticks everyday.

### Care Team

Made up of providers, coaches, dietitians and other experts to guide you through Level2.

### Level2 Method

A defined process to understand and improve glucose control in a series of phases.
