

Don't just manage your type 2 diabetes, work to improve it.

With Level2 Specialty Care, you can work to improve your type 2.

It's included next year with select UnitedHealthcare[®] health plans **at no extra cost:**

Insights:

You'll start with a **continuous glucose monitor (CGM)** to learn what works for you.

Care Team:

Virtual access to a **care team of experts** including providers, nurses and dietitians, all ready to guide you.

Level2 Method:

A defined process to understand and work to **improve glucose control** in a series of phases.
